## Frozen Semen Service Contract

### Stallion Information:

Name: \_\_\_\_\_ Registration #: \_\_\_\_\_  
Breed: \_\_\_\_\_ Markings: \_\_\_\_\_  
DOB: \_\_\_\_\_ Age: \_\_\_\_\_ Registry: \_\_\_\_\_

### Owners/Agent Information:

Name: \_\_\_\_\_  
Address: \_\_\_\_\_  
Home #: \_\_\_\_\_ Cell#: \_\_\_\_\_  
Fax#: \_\_\_\_\_ Emergency#: \_\_\_\_\_

### Frederiksborg Horse Farm, Inc. Obligations:

Agrees to collect, process, freeze and evaluate said stallion's semen in a professional and timely manner.

After each freezing process a post-thaw evaluation shall be performed to determine if the semen meets the commercial minimum quality standard of 30% progressive motility.

Should the post-thaw evaluation determine the quality standard is below 30%, Frederiksborg Horse Farm, Inc. reserves the right to discontinue collecting & freezing said semen.

Frederiksborg Horse Farm, Inc. makes no guarantee of the fertility capabilities of the semen that has been collected, processed and evaluated.

Owner shall receive a completed Stallion Evaluation form upon completion of services.

**Owners Obligations:**

Owner will be responsible for providing a current coggins, health certificate and registration upon arrival.

A collection and processing deposit of \$450 (USD) is due at the time of contract submission. At completion of services Owner agrees to pay all fees prior to removing the stallion from the premises.

Owner agrees to hold Frederiksborg Horse Farm, Inc. and its assigns harmless for any loss or damage of said semen that is in storage; for any injury, illness or death of said stallion while handling for collection, or any other service. Frederiksborg Horse Farm, Inc. strongly urges the owner to insure both the stallion and the frozen semen.

Owner agrees to allow Frederiksborg Horse Farm, Inc. to perform post-thaw evaluations on said stallion's semen after each freezing process; for this purpose small amounts of semen may be used in order to perform a thorough post-thaw evaluation.

Owner agrees that semen that does not meet the minimum quality standard of 30% Post-Thaw progressive motility will not be made available to mare owners without a disclaimer statement from Frederiksborg Horse Farm, Inc. This disclaimer will state that the semen did not meet the minimum quality standard.

**Contract Binding:**

This contract shall be interpreted under and in accordance with the laws of the State of Oklahoma.

No modifications, waiver or termination of this contract shall be binding unless executed in writing by said parties and in accordance with the laws of the State of Oklahoma.

Frederiksborg Horse Farm, Inc. reserves the right to discontinue service with said Owner if any portion of contract has been breached.
